Color of the Month: WHITE

Season: WINTER

Nursery Rhyme of the Month: JACK & JILL

Shape of the month: Rectangle

January lessons: HEALTH & SAFETY

5 FULL DAY CLASS - Fairy Tale - Frozen

Car safety will be stressed and all the children will earn a special "Safety Award". They will be bringing home a notice for you to sign that they ALWAYS wear their seatbelt, sitting quietly in the car too. We are looking forward to a fun day for our "Safety Parade". We will have a "Safety Chart" proudly displayed for all the children to see.

The children will continue to create and learn in a fun, age appropriate way. The skill of using scissors and scissor safety will be introduced and each child will receive one-on-one attention when learning these fine motor skills. Each child will have the opportunity to strengthen their fine motor skills at their own pace. They will be encouraged to begin this lesson, but not forced. This is a very difficult task and we want all the children to have fun with it. Some children may not be ready for this motor skill and we will be observant of each child's ability. You may want to buy a pair of safety scissors for home so that your child can practice. Cutting up pieces of paper or pictures from magazines or newspapers is a fun way to help with this skill. What a fun way to develop little hands!

Learning to recognize letters through games and identifying our friend's names is so much fun. What a smart group of early learners we have here!

A very special "Thank You" to our class parents, Sinead McAree (Yellow Room), Katherine Donahue (Red Room), and Jennifer Aprile (Blue Room), for organizing the Christmas Parties for the children. Thank you to all the parents for sending in the items and goodies to help make the Christmas season fun in a safe way. You are the best!

If we have a delayed opening or a snow day, the class parents will be notified early in the morning to start a telephone chain. If we are on a two-hour delay, the 3-year old children will come in at 10:45 am. Children will be dismissed at the regular time at 3:00 pm.

Please remember we are a "PEANUT CONTROLLED ZONE."

Now that we have had a long break from the routine of preschool, your child may be apprehensive about leaving you once again. This is very normal and we will work through it just like we did in September. Give a hug and a kiss and be on your way, do not worry, this too shall pass. Until then, keep smiling!
