The children are learning about nature and all of the beauty God has made for us. Learning about butterflies and ladybugs will be a fun exciting adventure for your little ones. As we prepare for the arrival of these tiny creatures the children will experience the miracle of life in a most friendly and colorful way.

To coincide with reading the story of "Jack and the Beanstalk," the children will plant their very own "magic beans" and watch them grow! Each child will water and take care of his/her plant. They will learn that God gives us sun, soil, seeds, water and air to help things grow. With a little nurturing and luck, you may have delicious string beans growing in your garden this summer! Many children have had great success with their "magic beans" in the past, and hopefully this year we'll have a bumper crop! The magic of the beans is that if you eat them, you will grow big and strong and stay healthy, too!

The children are enjoying getting used to using safety scissors. I would ask that during the summer you buy your child a pair of safety scissors and, with your supervision, have them cut up pieces of paper or magazines. This will help the children strengthen their fine motor skills and have lots of fun, too!

We are completing "1, 2, Buckle My Shoe," our last nursery rhyme of the year. The children have been making a nursery-rhyme booklet throughout the year which they will take home at the Moving-Up Ceremony along with a shape booklet. They are so proud of their accomplishments and I am sure you will be too!

Our Moving-Up Ceremony will take place on Thursday, June 16 at 9:30a.m. sharp. More information to follow. Until then we will continue to have fun, learn and GROW!!

A very special thank you to our terrific class parents, Jennifer Aprile (Anthony's mom - Blue Room), Sinead McAree (Sofia-Rose's mom - Yellow Room), and Katherine Donahue (Emma's mom - Little Red Room). They have been so helpful throughout year. You are the BEST!

Thank you all for being an important part of the St. Catharine Early Childhood Center Family.
