

MAY-JUNE 2022

NEWSLETTER

St. Catharine Early Childhood Center

Dear Parents:

We are all happy to have started to put the cold weather behind us...finally! We are enjoying the warmer weather and loving the sunny days of spring.

April showers bring May flowers! Yay! By planting different seeds, the children will learn what it takes to grow things. The children will learn how to nurture their plants with soil, seeds, water, and sun. What green thumbs they all have!

The children will be learning about the cycle of the Monarch butterfly - how tiny caterpillars grow and spin their cocoons (chrysalis) and then emerge as beautiful butterflies. What a terrific lesson about nature and the gifts God has given us. Many wonderful books and videos are available for the children to learn more about the cycle of the butterfly. Our favorite is the book, "The Very Hungry Caterpillar" by Eric Carle. The children also enjoy watching "Hermie, a Common Caterpillar." "Hermie" is a simple story of how God loves us just the way we are and how everyone is special.

On Tuesday, May 17 we will have a petting zoo visit us right here at St. Catharine's! Lions and tigers and...just kidding! Lots of friendly critters will be visiting - bunnies, a llama, a goat, and a pony, that the children will be allowed to ride (with your permission and a helmet).

As Memorial Day comes closer, we celebrate the red, white and blue and remember all the men and women who serve our country and help keep us safe. God bless them and God bless the USA!

With the warmer weather (hurray!) the children will learn about keeping safe as they get ready to enjoy swimming and being by the water. This is a wonderful time of year, especially after a very long winter. The children will be learning about ways to keep themselves safe, happy, and healthy. This is a good time to send in a new set of extra lightweight clothes for your child to keep at school. Please make sure each items is labeled with your child's name. We will send winter clothes home soon.

June will be here before we know it and we have started to prepare for the end of the 2021-2022 preschool year. The children are practicing songs and things they have learned to delight you at the Moving-Up Ceremony for the 3s and Graduation for the 4s. Until then, we will be enjoying each other, singing, creating, and playing here at St. Catharine Early Childhood Center!

Changes to the school calendar:

Friday, May 6 is a full day of school

Friday, May 20 school is closed

Friday, May 27 school is open (we used all of our snow days)

Happy Spring!

Barbara Feeney
Lorrayne Hubert
