Counting 1 to 10

Spring!

ABC's

Name Recognition

We are happy the warmer weather is arriving and we will be able to spend lots of time outside! Please dress your child appropriately for the playground to ensure safety and fun. Sneakers are highly recommended for going outside. Sandals are pretty but they can make climbing and running a bit dangerous. We want all the children to be comfortable and have fun. If you use sunscreen on your child, please apply the sunscreen before your child comes to school.

If you have signed up for your classroom Easter Party, your class parent will contact you to help organize the refreshments for your child's class. **NO NUTS PLEASE!!**

The children will decorate Easter bags, hoping for a visit and some goodies from the Easter Bunny! Our Easter Party will be Tuesday, March 31. The class parents will be organizing the refreshments. We will be asking them to send in plastic eggs filled with a few peanut-free Easter candies, enough for 2 eggs for each child to find on our Easter Egg Hunt. SHHH, this is a surprise from the Easter Bunny!

Progress reports will be going home next week. We hope that you're happy with the great strides your little one has made since September. We do not schedule conferences for the 3s, but if you feel you would like to have one or would like to discuss the report, please call the office and we can arrange a time to talk.
