

St. Catharine Early Childhood Center

APRIL 2026

Dear Parents:

We have had a very active winter. We are so happy that the children were able to enjoy it! Let's hope that April brings lots of sunny days and the warmth of spring will join us very soon. We have lots of fun activities in store for the children this month!

The children are eagerly awaiting a special visitor to the Center this month... the Easter Bunny will be hopping by to leave some goodie-filled eggs for the children to find during an Easter Egg Hunt! Shh - it's a surprise ☺ ☺

If you have signed up for your child's Easter party, your class parent will be in touch to help organize refreshments. You can drop off items for the party when you bring your child to school the day of the party. Please remember: **NO NUTS!**

We enjoyed such an informative visit with pediatric dentist, Dr. B. Dr. B gave the children lots of tips for keeping their teeth strong. She also sent home a bag filled with goodies for the children to use to keep their teeth healthy. Thank you Dr. B!

Please continue to check and empty your child's backpack. Many important notices will be going home in the weeks to come and we would not want you to miss anything!

Just a reminder, when your child sees the doctor for a physical, please send a copy into school for our records. The state has strict requirements that each child have up-to-date physical exam forms & immunization records. Thank you for your cooperation.

Ongoing registration for the St. Catharine Early Childhood Center 2026-2027 school year continues.

For anyone who still needs it for income taxes, the EIN for St. Catharine Early Childhood Center is 132687430.

As you can see, we are very busy, having fun, playing and welcoming this wonderful time of year!

Happy Easter!

Lorrayne Hubert
