

St. Catharine Early Childhood Center SEPTEMBER 2026

Dear Parents,

Welcome to St. Catharine Early Childhood Center! You have chosen a wonderful place for your child's preschool experience. We have so many fabulous things planned for your little ones. We are delighted you will be part of our family here at St. Catharine's. Our staff is very excited to begin a new year of fun and learning with your little angels!

We hope to take advantage of the nice weather to play outside a lot. As fall approaches, please remember to dress your child for the cooler weather or to send in a light jacket or sweatshirt. Please remember to label each item with your child's name.

If your child stays for lunch, please pack their afternoon snack separately in a brown bag or container with their name on it. Also please remember to send in napkins and utensils for lunch. You may also want to include an ice pack to keep perishable items cold until lunch time.

We ask that each child have a full-size backpack every day. We will send a folder home every day in your child's backpack. Please return the folder every day. Paperwork that should be left at home will be on the left side of the folder; paperwork that should be returned should be placed on the right side of folder. Throughout the year, you will be receiving notices and other important information in your child's folder. Please try to read them right away as some of them may be time-sensitive.

We will be sending home a newsletter each month that will outline activities and events that will be taking place throughout the month. Please read each newsletter and keep it as a reference as the month goes by. You will find the information helpful as you plan for the days ahead.

Picture Day is Thursday, October 15. Yay! More information will be sent home in your child's folder next month.

We will be here each morning to greet you and your child as you arrive at our bright yellow doors. Please feel free to call the school to speak with us at anytime with concerns or questions (845-359-4330). Thank you for entrusting your child to us. We are looking forward to working together to make this a very happy and rewarding experience.

Get ready for your child to have fun, learn and grow!

Sincerely,
Lorrayne Hubert
