We had a great time in our St. Catharine's Pumpkin Patch. The children enjoyed the hayride and finding their pumpkins. Thank you to Mr. R (Mrs. R's husband) for a wonderful and exciting hayride!

We are also very grateful to Miss Marybeth from the Blauvelt Library, who arranged for the children to visit via Zoom with Matt of the Turtle Dance Band. The children have been having a great time singing and dancing along with Matt and his silly versions of popular children's songs.

Turkeys will be gobbling around the pre-k center as the children begin to create festive decorations for Thanksgiving. What a fun way to learn about being thankful for all that we have.

Humpty Dumpty will be the third nursery rhyme the children will be learning. The children will be crafting their own version of Humpty Dumpty to bring home to share. The children will have a lot of fun reciting Humpty Dumpty and seeing what happens when a REAL egg falls off a wall! SPLAT!!! Please take a few moments to hear your child sing the nursery rhymes they've been learning. You will be delighted by how proud your child is to have learned these rhymes. We have quite a musical group of little ones here in pre-k 3!

The children are making wonderful friendships here at school. It is amazing to see how quickly your little ones have adjusted to their new surroundings!

The Christmas season is approaching and we are getting ready to prepare for this fabulous time of year. The children will be learning many Christmas songs to entertain you at our joyous Christmas caroling event. Details to follow as the date approaches.

We count our blessings here at St. Catharine Early Childhood Center and the children and families are at the top of our list!
